We apologise for any mistakes in the programme, we make every effort to get everything right, but nobody's perfect...

WELCOME TO THE 2023 THANET MUSIC AND DRAMA FESTIVAL!

We very much hope that this year's festival will be completely "back to normal" whatever that means! But we are very much looking forward to reinstating our gala concert at which we present most of the trophies, and showcase some of our favourite performances from all the festival sections, and we are delighted that Dr David Flood, the former organist and master of the choristers at Canterbury Cathedral has agreed to be our VIP at this event.

The Festival continues to provide a platform for local performers to display their talents. The classes in each section are open to all non-professionals, and, where appropriate, to people of all ages and abilities... from beginners to experienced amateurs, and toddlers to octogenarians and beyond ...there are classes for everyone!

The adjudication is provided by first-class professionals, hugely experienced in their field and in the festival world thus benefiting all-comers with a wealth of useful advice and tips. **You are strongly advised to attend far more than just your own class**, and you will receive huge insight by going to see other sections.

As you can see, the festival lasts for a month so, as well as taking part as a performer; you might consider being a volunteer to help in its running. Whatever you decide, we look forward to seeing you, as a performer, helper or member of the audience. We do hope that some of you who attend will be inspired to enter next year... Anyone wanting to be on our mailing list for next year's Syllabus should give their details to the Secretary..

FRIENDS OF THE FESTIVAL

The festival Committee wishes to thank our Sponsors and Friends for their continued and valued support.

Friends automatically receive a complimentary copy of the Programme, a free pass for all events, and reserved seats at the Gala Concert (£15 per person although greater donations are of course always welcome)

The Festival is totally dependent on voluntary helpers, especially the Committee who work all the year round to ensure the smooth running of the various events: however we always need extra helpers, particularly when the Festival is taking place. Please contact the Secretary or Chairman.... Our grateful thanks to all who already help.

Everyone is also welcome to attend the Festival's AGM:

A final thank-you to Michael Wheatley-Ward at Sarah Thorne, to St Philip's Church, to the Birchington Village Centre Association, to QRBC, and to the Salvation Army in Ramsgate, for their assistance in the use of their facilities.

SPEECH & DRAMA: CALLY FOSTER FSTSD Since her first appearance in a festival at the age of five Cally has been committed to the festival movement and has pursued a career as a speech and drama specialist. She was the principal of her Buckinghamshire based drama studio for more than 20 years, combining that role with travelling extensively in the UK, Europe and Internationally as an examiner for LAMDA and as an adjudicator. Cally also delivers workshops on all aspects of communication and performance. She is a Speech & Drama Representative on the Adjudicators Council of the British and International Federation of Festivals and a former Chairman of the Society of Teachers of Speech and Drama.

Cally believes that performing in festivals not only encourages an appreciation of the arts but also develops the communication and presentation skills so important in today's world. Cally is delighted to be returning to adjudicate the Speech & Drama classes at the Thanet Music and Drama Festival in 2023 and wishes everyone an enjoyable as well as a positive experience.

VOCAL & CHORAL: MARIA JAGUSZ GRNCM FISM Maria trained at the Royal Northern of Music and at the National Opera Studio. She has had a career as an International Opera and Concert singer Her roles include Carmen, Hansel (Hansel and Gretel) Rosina (Barber of Seville) and Cherubino (Marriage of Figaro). She has performed with many of the leading European and UK opera companies including The Royal Opera House and Glyndebourne Festival Opera. Maria started to combine her singing work with teaching young students and specialised in preparing students who wanted professional careers. She also started MJUKMusic and Arts to give performing opportunities to her students and for many to experience how life would be in a professional environment. Over the years over 50 students have pursued successful careers in either the world of opera or musical theatre. Maria coaches both classical and musical theatre students and is a vocal coach at the International College of Musical Theatre in London. She is also the Emerging Artist Casting Advisor for Longborough Festival Opera and will be working on their production of "Fairy Queen "this summer.

PIANOFORTE & INSTRUMENTAL: HELEN CAWTHORNE studied with the German pianist Annekäte Friedlander before entering the Royal Academy of Music, where she was awarded major prizes as a solo pianist, accompanist and chamber musician. Her subsequent career has reflected this diversity, and a special interest in working with singers and string players in the Romantic repertoire has been complemented by premières of over thirty newly commissioned works. Wigmore Hall and Purcell Room débuts came early in her career and she has returned many times to the Southbank Centre, most recently with the eight-hand piano ensemble Piano40, in their tenth appearance at the venue. A long-standing working partnership with her husband, baritone John Barker, has included BBC broadcasts and recordings on the Sain and Regent Records labels. Significant collaborations have also included recital work with the Leipzig-based soprano Catriona Gallo and piano trios with violinist Hilaryjane Parker and cellist Alexandra Mackenzie. Helen Cawthorne's most recent recording, a disc of solo piano works by Fanny Mendelssohn Hensel entitled 'A Woman's Hand', was released by Prima Facie Records in May 2022. The CD was described by MusicWeb International as 'technically and interpretively perfect - a voyage of delight from end to end.'

In addition to her performing work, Helen is active in a range of educational spheres. She teaches piano and chamber music at the Junior Academy of the Royal Academy of Music, where she also runs weekly Keyboard Skills workshops for all the first-study pianists; as a Lecturer in Performance Studies she teaches piano to undergraduate and postgraduate students at the University of Southampton; for fourteen years she taught piano and was Head of Keyboard at Bedales School; and since 1997 she has worked for the ABRSM, travelling worldwide as a 'grade' and diploma examiner and presenter of teachers' seminars.

SPEECH AND DRAMA SECTION RULES

Please remember to adhere to the time limits, and please check the general rules.

1. Classes S70 – S111 (inclusive) must be performed from memory.
2. Choral Speech: It is permissible for groups to have one or more soloists. Movement is allowed so long as it enhances the speech.
3. Mime: Sound effects and music may be used. No stage props allowed.
4. Drama: Simple costumes & bona fide stage props may be used and should conform to safety standards
5. Bible Reading: Any version may be used with an additional copy for the Adjudicator
6. Public Speaking: Audio/visual aids may be used where appropriate. Classes S134 and S135 should be in the form of an informal talk, while performers in Classes S132 and S133 should regard their work as a speech to an audience. Notes may be used for reference.
7. The Adjudicator and/or Convenor will bring to a halt and disqualify any Speech and Drama item which by reason of its unsuitability for a young audience seems likely to give offence or cause embarrassment.
8. Group Improvisation: Each group is expected to prepare its presentation independently of the teachers and it should be original and spontaneous.
9. Drama may include original scripts, dramatised poems or Bible scenes, published or unpublished, but stand-alone monologues/duologues will be adjudicated as being less of a challenge than those from plays.
10. The performers' own choice pieces will be taken into account in the marking and must present a sufficient challenge in thought, technique and duration.

END OF VOCAL AND CHORAL SECTIONS**VOCAL & CHORAL SECTION RULES**

1. 'Own Choice' items should be limited to 3 minutes for the Juniors, 4 minutes for the Adults and Ensemble choices (unless otherwise stated) and titles and composers of these should be sent to the Vocal Convenor by 1st February 2020. An original copy (not photocopy) should be provided for the Adjudicator and brought on the day of the Festival Section. All the set music should be easily available, but if there is any difficulty in obtaining copies please contact the Vocal Convenor. The Adjudicator will already have a copy of set pieces

2. Performers are asked to provide their own accompanists. For advice and information with regard the availability of accompanists please contact the Vocal Convenor. Taped backing or backing CDs are allowed as long as an original copy of the sheet music is available for the adjudicator. These backings must be within the stated time limit.

VOCAL & CHORAL SECTION RULES continued

3. Performers who work during the day should state on their form when they would genuinely be unavailable. Whilst every effort will be made to avoid time-tabling at what might seem awkward times it should be appreciated that this cannot be guaranteed.
4. An 'Art Song' is a Secular (non-Sacred) song, written for the voice and piano, and is often a setting of text. It does not include popular songs or material from the shows.

If younger children want to sing a 'non-Art Song', they should enter the other categories for Under 13s / Under 16s. Teachers are respectfully requested to guide their pupils in selecting 'Own Choice' items. Material should be suitable for the age and level of voice development. Teachers should also ensure that their song is suitable for the class being entered. For advice on the suitability of material please contact the Vocal Convenor.
5. The choice of music and general presentation will be reflected in the marking.
6. In Folk, Light Opera and Modern Style classes personal interpretation will be allowed where appropriate and the candidate will not be expected to adhere strictly to the written score.
7. Young accompanists (i.e. not professionals) who are accompanying singers in any of the Vocal or Choral classes are eligible for the Thelma Springford Award. Young accompanists wishing to be considered should give their name to the Convenor before the start of the class or classes for which they are accompanying so that the adjudicator can be advised.
8. The set pieces for both Junior and Adult classes may be sung in any appropriate key, unless otherwise specified.

DANCE SECTION RULES

42

1. Duets and groups are governed by the age of the oldest performer
2. Duets & trios: dancers may perform three times in each class with different partners.
3. Entries are timed from the first note of music.
4. The committee reserves the right to commence any class up to 30 minutes before the appointed time.
5. The choice of music and presentation will be reflected in the marking.
6. Performers should provide their own music clearly marked and ready to play (one CD for each dance). If not it could reflect in your marks.
7. No re-dance for 11 years & over unless the problems are beyond the performer's control.
8. No pointe work under the age of 13.
9. All props should be non-breakable and conform to safety standards.
10. All music must be handed in at least two sections before you are due to perform; if not it could lead to you being withdrawn.
11. Song and Dance must have no chanting or vocals of any kind in the music. If there is you will not be marked.
12. Tap music must not have any sound effects that sound the same as tapping, it will result in you not being marked.
13. The adjudicator's decision is final.

GENERAL RULES

1. The festival is open to performers of all ages, and from all locations.
2. Unless otherwise specified, performers in all classes must be amateurs (an amateur is considered to be one who does not derive the main part of their income from that section of the art in which they are proposing to enter the Festival NOR is receiving full-time professional training in that subject). This does not apply to accompanists or conductors.
3. A performer must be the specified age on 1st March in the year of the Festival. In age specific classes the age of all performers under 21 must be noted on the Entry Form in the appropriate column. Some classes are reserved for Senior Citizens, but senior citizens are also welcome to enter any other adult class.
4. Impersonation will debar all participants in the fraud from taking part in this & future Festivals.
5. All performers in choirs or other groups must be bona fide members.
6. Entries must be made by the closing date, 1st December. Late entries will only be considered if agreed in advance with the relevant Convenor(s) and may incur an extra charge.
7. No late entries or alterations will be allowed after the programme has gone to press, except where a mistake has been made by the Festival. ALL alterations must be notified to the relevant convenor by 1st December.
8. The Committee reserves the right to combine or cancel any class due to insufficient entries.
9. A performer may perform a piece once only in this year's Festival and may not include a set piece in an 'Own Choice' selection.

10. 'Own Choice' titles should be stated on the Entry Form and should be limited to 3 minutes unless otherwise stated. Late selections must be notified to the convenor no later than two weeks prior to the commencement of the section.
11. Performers must provide a copy of 'Own Choice' items for the adjudicator
12. Payment of Performing Rights Fees is the responsibility of each performer.
13. Any good edition of set pieces will be accepted.
14. The convenor reserves the right to commence any class up to 30 minutes before the appointed time.
15. Entries that exceed the stated time limit will be penalised and the adjudicator reserves the right to stop a performance that is overrunning.
16. Entrants in the Instrumental section must bring their own instruments (including drum kits etc.) unless cleared in advance with the Section Convenor.
17. Performers are respectfully asked to dress as befits the occasion.
18. **NO PHOTOGRAPHY, SOUND or VIDEO RECORDING by ANY means is allowed; not only can they distract performers and infringe copyright law, but, most importantly, any recording goes against our child protection policy. Mobile phones must be switched off.**
19. NO SMOKING is allowed inside any of the Festival venues during the Festival.
20. Those in the audience are expected to behave appropriately, e.g. not entering or leaving the hall while a performance or adjudication is in progress and above all remaining silent while others perform and when the adjudicator or stewards speak. Anyone deemed not to be behaving appropriately will be asked to leave; no refund will be given in this case
21. Parents/guardians are responsible at all times for the welfare of the children/young people in their charge. The Festival does not hold itself responsible for any injury sustained by any competitor or member of the public whilst on the Festival premises.
22. All trophies awarded at the 2022 Festival must be returned to the **relevant convenor by 1st March 2023**. Similarly, all trophies awarded at this year's (2023) Festival must be returned by **1st March 2024**. Failure to do so will result in the winner being billed for the trophy and all necessary re-engraving. Those wishing to have their names engraved on trophies they have won must arrange this by themselves.
23. Any complaints relating to the competition should be sent to the Secretary in writing enclosing a S.A.E. Any queries regarding a section should be directed to its Convenor.
24. The decision of the Adjudicator is final. He/she shall have the power to withhold any certificate if, in his/her opinion no performer reaches a sufficiently high standard. Awards are also at the Adjudicator's discretion and may not necessarily reflect the highest mark in a class or section.
25. **Infringement of any of our rules might result in a competitor and/or all from that teacher/school being banned entry in ensuing classes and future festivals.**

CHILD PROTECTION POLICY

Thanet Music and Drama Festival ("TMDF") aims to provide a safe and caring environment for all its participants, and to conform to current child protection legislation. The following constitutes TMDF's child protection policy:

1. Purpose

The purpose of the festival is to advance the education of the public in the performing arts, by holding an annual competitive festival and presenting public performances.

2. Environment

It is our policy under the Protection of Children Act 1999 to involve parents/guardians/carers & teachers in partnership with us to ensure a safe environment at the festival, insofar as it is reasonably practicable.

3. Application

This policy relates both to children under the age of 18 and to those vulnerable adults who are identified to the organizers prior to their arrival at the festival. The festival recognizes the needs of children who are disabled or from ethnic minorities, and will seek to meet any specific needs notified to the festival in advance by parents/guardians/carers or teachers.

4. Personnel

TMDF is run entirely by volunteers, all of whom have independent references and are briefed about the terms of this policy. Should any problem arise regarding the terms of this policy, it should be notified to a TMDF Committee member, identifiable by badge, who will take appropriate action in a discreet manner.

5. Preparation

All participants in this festival will be expected to have seen this policy. In accordance with this policy, it is essential that parents/guardians/carers not personally attending the festival be satisfied that their children etc. are accompanied and adequately supervised by responsible adults acting on their behalf; TMDF staff will not undertake this rôle. With group entries, the group leader must ensure that all parents/guardians/carers are aware of this policy. Each person signing the entry form thereby takes full responsibility for those entered by the form.

6. Changing areas

It is emphasized that the article above applies equally to changing areas, ie. that responsibility remains with the supervising adult in each case. Property left unattended is also not the responsibility of TMDF.

7. Photography

No photography (including video photography) is permitted at the festival, other than by accredited members of the press. Such photography will always take place in a public place. Any parent/guardian/carer not wishing the individual(s) in their care to be photographed must notify the photographer in good time.

8. Legislation supporting this policy

The Children Act 1989, The Police Act 1997, The Data Protection Act 1998, The Human Rights Act 1998, The Protection of Children Act 1999, The Criminal Justice & Court Services Act 2000.

9. Review

The TMDF Committee will review this policy at regular intervals, consulting *the British & International Federation of Festivals* for support and advice on best practice. For any queries relating to this document please contact the Secretary.
